

# EU PVSEC 2018 24 - 28 September 2018

35th European PV Solar Energy Conference and Exhibition  
 SQUARE - Brussels Meeting Centre • Brussels • Belgium

## 35th EU PVSEC 2018 - Overview of Parallel Events under preparation

		Exhibition									
		Scientific Conference									
		MON, 24 Sept.		TUE, 25 Sept.		WED, 26 Sept.		THU, 27 Sept.		FRI, 28 Sept.	
08:30		Opening			IEA PVPS Task 17 PV for Transport	Research meets Business / Solar Industry Forum					
12:30				Solar Mobility Forum	Dedicated to Manufacturing BIPV and Innovative Applications in the Built Environment						
13:30			IEA PVPS Task 1 in coop. IRENA	Research meets Business / Solar Industry Forum	IEA PVPS Task 15	Research meets Business / Solar Industry Forum	PHOTOVOLTAICS   FORMS   LANDSCAPES	Horizon 2020 projects: Backing the EU PV Industry			
15:00	SolarPower Europe High level Industrial Forum	Trends in PV Development – from Turmoil to Mainstream		Dedicated to PV Manufacturing, Business Choices and Economics		Accelerating BIPV Development		Dedicated to Innovations in PV Manufacturing, from Polysilicon to Innovative Moduling		Designing energies in high density population areas	
16:30								EU funded actions from material research to market deployment			
18:30											
		Welcome Reception						EU PVSEC Conference Dinner			
										Closing
