EU PVSEC 2018 24 - 28 September 2018

35th European PV Solar Energy Conference and Exhibition

SQUARE - Brussels Meeting Centre • Brussels • Belgium

35th EU PVSEC 2018 - Overview of Parallel Events under preparation

Exhibition

Scientific Conference

	MON, 24 Sept.	TUE, 25 Sept.	WED, 26 Sept.	THU, 27 Sept.	FRI, 28 Sept.
08:30	Opening	IEA PVPS Task 17 PV for Transport	Research meets Business / Solar Industry Forum Dedicated to Manufacturing BIPV and Innovative Applications in the Built Environment		
12:30		Solar Mobility Forum			Closing
13:30					
14:15	SolarPower Europe EU Industrial Leaders Round Table: EU PVSEC	IEA PVPS Task 1 in coop. IRENA Trends in PV Development – from Turmoil to Mainstream	Research meets Business / Solar Industry Forum Dedicated to PV Manufacturing, Business Choices and Economics	IEA PVPS Task 15 BIPV – Bridging the gap between PV industry supply and construction industry demand	Research meets Business / Solar Industry Forum Dedicated to Innovations in PV Manufacturing, from Polysilicon to Innovative Moduling	PHOTOVOLTAICS | FORMS | LANDSCAPES Designing energies in high density population areas	Horizon 2020 projects: Backing the EU PV Industry EU funded actions from material research to market deployment
15:35							
18:30	Welcome Reception		EU PVSEC Conference Dinner
