# GOOD REASONS TO BECOME EU PVSEC SPONSOR

---

The EU PVSEC 2020, the 37<sup>th</sup> edition of the European Photovoltaic Solar Energy Conference and Exhibition, will take place in the CCL Lisbon congress Centre Lisbon, Portugal

Conference: 07 – 11 September 2020

Exhibition: 07 – 10 September 2020

The unique character of the EU PVSEC combines the world's largest PV science and technology conference with a PV industry and technology show, attracting the entire professional PV community from around the globe.

This event is trend-setting for the next generation of PV technologies and applications. Reach the professional EU PVSEC clientele and communicate directly to researchers, key industry representatives, investors, policy makers and other PV.

## + ADVANTAGES

- + Obtain maximum visibility and attract the attention of the community of renewable energy.
- + Connect your company to one of the most recognized and successful international events with an excellent scientific content.
- + Choose between different sponsorship opportunities and packages.
