38th European Photovoltaic Solar Energy Conference and Exhibition – GENERAL TERMS AND CONDITIONS FOR THE SPONSORING –

WIP Wirtschaft und Infrastruktur GmbH & Co Planungs-KG (WIP) is the organiser of the event. Only WIP is empowered to accept or reject sponsorship applications. For written correspondence with WIP regarding sponsorship matters the usage of the email address pv.exhibition@wip-munich.de is obligatory.

The signed Booking Form constitutes a legally binding contract for the sponsor.

Deadlines set by WIP must be met. WIP cannot guarantee to provide the offered service if forms or orders are handed in too late.

1. PAYMENT TERMS AND CONDITIONS

Payment has to be made by the due date indicated on the invoice. All invoices must be paid before the EU PVSEC 2021 starts. Only those sponsors who have made payment due in time are allowed to participate as sponsor of the event.

1. All discounts or surcharges will be balanced with the final payment invoice.
2. The final payment invoice will be sent from May 2021 onwards.
3. Any changes made after invoicing the final payment will be credited or debited with a separate credit note or invoice.
4. Late payment will cause a surcharge of 10% payable latest with final payment invoice.
5. Bank charges are to be borne completely by the sponsor.

2. PAYMENT BY INTERMEDIARIES (e.g. Agents)

The intermediary shall be responsible for the payment, irrespective of the client's payment to the intermediary.

3. CANCELLATION

Any cancellation must be made in written form.

After receipt of the Sponsor's Booking Form a cancellation fee will be due:

- For cancellations after 30 May 2021 50% of the price has to be paid.
- For cancellations after 30 June 2021 the full amount has to be paid.
- Overpayments will be reimbursed.

4. SPONSOR INFORMATION ON THE EU PVSEC WEBSITE

WIP may allow sponsors to provide information for visitors and other participants on the website of the event, in particular in

relation to sponsor logos, sponsor profiles, job offers and product information (summarised "sponsor information"). The sponsor is responsible for this information himself, applicable laws must be observed. The sponsor shall ensure before publication that he is legally entitled to publish the information (that he possesses the rights to distribute and to make available to the public) and that the published information complies with applicable competition laws and does not infringe any third party rights. The access authorisation (username and password) granted by WIP is not transferable and must be protected according to the current state of technology against loss or theft, unauthorised access or unauthorised transfer. The sponsor shall inform WIP immediately after discovering loss or theft, possible unauthorised access or transfer. As a principle, neither WIP are obliged to review and control the sponsor information before it is made available for access on the web. If the rights of a third party are infringed due to or in connection with the sponsor information and if (a) WIP are informed of the infringement by the third party or (b) a third party lodge the appropriate claim against WIP, WIP shall inform the sponsor immediately after receiving the notice or notification of the claim by the third party. The sponsor shall revise the sponsor information without delay so that it no longer infringes the rights of a third party or by other means make the sponsor information compliant with applicable laws. In the interim, WIP is entitled to temporarily withdraw from publishing the sponsor information in question and may change it without prior approval of the sponsor.

5. PRIVACY POLICY

We and our cooperation partners process and use personal data only to the extent necessary for the establishment, content organisation or change of the legal relationship (data inventory). These actions are taken on the basis of Art. 6 Sect. 1 lit. b GDPR, which permits the processing of data for the fulfilment of a contract or pre-contractual actions. We collect, process and use personal data only to the extent that this is necessary to make it possible for users to utilize the services and to bill for them.
